Goodling Child Nutrition Reauthorization Act of 1998 requires schools participating in the National School Breakfast and Lunch Programs in the contiguous United States to purchase, to the maximum extent practicable, domestic commodities or product for use in the meals served under these programs.  - iii) Price of the domestic food product; and
 - iv) Price of the non-domestic product that meets the required specification of the domestic product.

4.0 Termination of Contract

If the Awarded Contractor cannot comply with the terms and conditions in fulfilling its Contract as anticipated, the Awarded Contractor must supply the same products or services contracted from other sources at the contract price. The vendor's delay in the above will constitute the vendor's material breach of contract, whereupon (SFA) may terminate the vendor's contract for cause as provided by the remainder of this section.

Except as otherwise provided within this document, this Contract may be terminated in whole or in part by either party in the event of substantial failure by the other party to fulfill its obligations under this contract through no fault of the terminating party; provided that no such termination may be implemented unless and until the other party is given 1) at least thirty (30) days written notice (delivered by certified mail, return receipt requested) of intent to terminate, and 2) an opportunity for consultation with the terminating party, followed by a reasonable opportunity, of not more than ten (10) business days, to rectify the defects in products or performance, prior to termination.

Valid causes for termination of this Contract will include, but are not limited to:

Notwithstanding anything contained in this section, in the event of the Awarded Contractor's breach of any provision in this contract, (SFA) reserves the right to enforce the performance of this contract in any manner prescribed by law or deemed to be in the best interest of its members. Any Contract termination may be deemed valid reason for not considering a future bid from the defaulting vendor. In the performance of this contract, time is of the essence and these General Terms and Conditions are of the essence.

(SFA) reserves the right to terminate this contract at its sole discretion on seven calendar days' notice when in the best interest of (SFA) by providing notice to the Awarded Contractor, which shall be in writing and shall be deemed delivered and received when

given in person to the Awarded Contractor, or when received by fax, express mail, certified mail return receipt requested, regular mail postage prepaid or delivered by any other appropriate method evidencing actual receipt by the Awarded Contractor. Upon termination without cause, the Awarded Contractor will be paid for goods and services to the date of termination.

Termination for Cause and for Convenience, Equal Employment opportunity, Contract Work Hours/Safety Standards Act, Debarment and Suspension and Byrd Anti-Lobbying Amendment are included as part of this IFB.

Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1976-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Byrd Anti-Lobbying Amendment (31 U.S.C. 1352) – Contractors that apply for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.
