Except as otherwise provided within this document, this Contract may be terminated in whole or in part by either party in the event of substantial failure by the other party to fulfill its obligations under this contract through no fault of the terminating party; provided that no such termination may be implemented unless and until the other party is given 1) at least thirty (30) days written notice (delivered by certified mail, return receipt requested ) of intent to terminate, and 2) an opportunity for consultation with the terminating party, followed by a reasonable opportunity, of not more than ten (10) business days, to rectify the defects in products or performance, prior to termination.

French River Education Center Purchasing Cooperative reserves the right to terminate this contract at its sole discretion on seven calendar days' notice when in the best interest of French River Education Center Purchasing Cooperative by providing notice to the Awarded Contractor, which shall be in writing and shall be deemed delivered and received when given in person to the Awarded Contractor, or when received by fax, express mail, certified mail return receipt requested, regular mail postage prepaid or delivered by any other appropriate method evidencing actual receipt by the Awarded Contractor. Upon termination without cause, the Awarded Contractor will be paid for goods and services to the date of termination.

Termination for Cause and for Convenience, Equal Employment opportunity, Contract Work Hours/Safety Standards Act, Debarment and Suspension and Byrd Anti-Lobbying Amendment are included as part of this RFP.

Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Byrd Anti-Lobbying Amendment (31 U.S.C. 1352) – Contractors that apply for an award exceeding \$100,000 must file the required certification.
